

# How to co-exist with the American Black Bear as your neighbor

Saturday, August 3  
2:00-4:00 pm  
at Sierra Madre Public Library

Join us in a discussion about natural history,  
urban bear issues, understanding bear behavior  
and what you can do to co-exist.

Presenter, Kim Bosell, is the Natural Areas Administrator and is a Los Angeles County Fish and Game Warden for the Department of Parks and Recreation. She worked for 3 years with the California Department of Fish and Wildlife on an urban bear study and provides assistance to communities dealing with urban bear issues through human education.
