Sierra Madre, CA. – September 5, 2019 – Red Flag Parking Restrictions

A “Red Flag Day” is called when there are weather conditions that may result in extreme fire behavior due to temperature, humidity and wind. Red Flag weather events are issued by the National Weather Service and the Los Angeles County Fire Department.

The restrictions, imposed only during times of high fire danger, are aimed at ensuring that emergency vehicles are able to navigate sometimes-narrow streets to respond to fires, and to ensure residents are able to safely evacuate neighborhoods.

During a Red Flag Day, any vehicle parked on any of the following streets, or portions thereof, are subject to towing at the owner’s expense.

Mount Wilson Trail Road	Woodland Drive	Old Ranch Road
Churchill Road	Brookside Lane	Forest Lane
Skyland Drive	Sunnyside Lane	Casey Street

Idle Hour Lane	Sturtevant Drive	Auburn, North of Grand View Ave.
Canyon Crest Drive	Elm Street	Cañon Drive
