**Discover what's next for the Sierra Madre Library!**

***Sierra Madre, CA, November 12, 2019***

**Library Board of Trustees encourage you to save the date.**

At 6:30 pm on Wednesday, November 20<sup>th</sup>, at the Hart Park House, you will have the opportunity to learn about plans for a new Sierra Madre Public Library. This is a 21st century library, with community meeting rooms, comfortable reading spaces and rooms for people to learn about emerging technologies.

You'll meet Christine Smart, our City Librarian who has been guiding the process of envisioning a place that is big enough, modern enough, and flexible enough to serve our community for the next fifty years. There's been a lot of progress made. You'll get an exciting first look at the exterior of the building, and experience a 3D rendering that reflects all the input we've gotten so far. You'll hear from volunteers who have spent thousands of hours dreaming, designing and planning this new community asset.

There's still time, make your opinion heard! Join your neighbors and friends to discover what's next for one of Sierra Madre's most cherished institutions.
