Article 1 PREAMBLE

It is the intent and purpose of this Agreement to set forth the understanding of the parties reached as a result of meeting and conferring in good faith regarding matters related to wages, hours and/or other items and conditions of employment between the employees of the Police Department represented by the Sierra Madre Police Association ("Association") and the City of Sierra Madre ("City"), in accordance with California Government Code section 3500, et seq. and Chapter 2.48 of the Sierra Madre Municipal Code.

This Agreement is to set out those items on which the City and Association have reached Agreement, so that these items will not have to be renegotiated during the term of the contract. The term of this Agreement is from July 1, 2021 to June 30, 2026, having been ratified by the Association on approved and accepted by the City Council on November 14, 2023.

Article 2 PERSONNEL RULES AND REGULATIONS

This document is intended to be used in conjunction with the City of Sierra Madre Personnel Rules and Regulations. The Personnel Rules and Regulations address items including, but not limited to, employee evaluations, personnel files and computer loan program. Current Rules and Regulations of the City that do not deal with matters covered by this agreement shall remain in full force and effect.

Article 3 IMPLEMENTATION

This Agreement constitutes a mutual recommendation to be jointly submitted to the City Council of the City of Sierra Madre. It is agreed that this Agreement shall not be binding upon the parties either in whole or in part unless and until the City Council acts, by a majority vote, formally to approve and adopt said Agreement.

Article 4 RECOGNITION

The City recognizes the Association as the Recognized Employees' Organization for all classified employees of the Sierra Madre Police Department except the Chief of Police, any Captain(s), and any Lieutenant(s), in accordance with Section 2.48.040 of the Sierra Madre Municipal Code.

Article 5 MANAGEMENT RIGHTS

The rights of the City include and are not limited to all rights provided under State law, and the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards and levels of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; determine style and/or types of City-issued wearing apparel, equipment or technology used; establish and

enforce dress and grooming standards; assign work to and schedule employees in accordance with requirements as determined by the City; establish and change work schedules and assignments as necessary; and exercise complete discretion over its organization and the technology of performing its work. The City may exercise its management rights without the obligation to meet and confer on the decision to exercise such rights. However, the City shall meet and confer on the impact of the exercise of such rights, unless the matter of the exercise of such rights is provided for in this Memorandum of Understanding, the Personnel Rules and Regulations or Municipal Code. By agreeing to meet and confer as to the impact of any of the City's rights, management's discretion in the exercise of these rights shall not be diminished.

Article 6 EMPLOYEE RIGHTS

Each employee shall have the following rights which he/she may exercise in accordance with all applicable laws, ordinances, rules and regulations, and provisions of this Memorandum of Understanding:

- The right to form, join, and participate in the activities of employee organizations of his/her own choosing for the purpose of representation on matters of his/her employee relations with the City, and the right to refuse to join or participate in the activities of any employee organization.
- The right to pay dues to such employee organizations through the regular payroll deduction.
- The right to be free from interference, intimidation, restraint, coercion, discrimination, or reprisal for membership or non-membership in any employee organization or with respect to any lawful activity associated therewith which is within the scope of representation.

Article 7 ASSOCIATION RIGHTS

Section 1 Recognition

The City recognizes the right of the Association to govern its internal affairs.

Section 2 Dues

Upon the receipt of a written request and authorization from an employee for deduction of Association "dues," the City shall withhold such dues and deductions from the salary of the employee on a bi-weekly payroll basis and remit the withholdings to the Association in a timely manner. The City shall continue to withhold such deductions unless the employee files a written statement with the City withdrawing authorization for the continued withholding of the deductions.

Section 3 Bulletin Board

The Association shall have sole and exclusive use of specific bulletin board space. Such space shall be clearly marked and identified as such, approximately three feet by four feet in dimension and located in the Police Department. The Chief of Police shall designate the authorized bulletin board space and said space shall be the only space which is authorized for the posting of Association business. Material placed on the bulletin board shall be at the discretion of the Association with the understanding that materials so posted shall be for legitimate communications with its members. Said posting shall not be offensive to good taste, defamatory, involve support or opposition to candidates for political office within City government, or violate City policies regarding harassment, discrimination or retaliation. The Chief of Police or his/her designee shall have the right to remove any such materials upon prior notice to the Association representative. The Association shall be responsible for maintaining the bulletin board space in an orderly condition and shall promptly remove outdated materials. No other space in the Police Station is authorized for use by the PA.

Section 4 Association Member's Representative

An employee shall be allowed to designate a representative to assist said employee in: preparing and presenting grievances, preparing and processing material for disciplinary hearing, and preparing and presenting material for any legitimate employer-employee relations which representation is granted pursuant to existing law. This representative may be a member of the association as long as the representative is not potentially involved in the matter.

Section 5 Representing the Association

Subject to the needs of the Department and the approval of the Chief of Police, a designated employee representative of the association shall be allowed: 1) reasonable release time from regularly scheduled duties to present grievances and material for disciplinary hearings on behalf of an affected employee if said employee requests said assistance, and 2) to meet with City management representative relative to matters of employer-employee relations.

Section 6 Chief Selection Process

During any selection process for hiring a Chief of Police, the PA Board will meet with the City Manager prior to the City Manager's interview with prospective candidate(s) to give input regarding what the PA would like to see in a new Chief.

Article 8 PUBLIC EMPLOYEES RETIREMENT SYSTEM

Section 1 CalPERS Membership

Consistent with the Government Code, employees who are local safety or miscellaneous members of the California Public Employees Retirement System are entitled to the benefits as indicated in the most recent amendment to the contract between the Board of Administration of CalPERS and the City Council.

This memorandum of understanding provides for military buy-back and/or sick leave conversion

options: Employees who have been temporarily relieved from their assignment to serve in the U.S. military may elect to buy back, at a 1:1 ratio, their military service time in exchange for PERS service credit. The cost of such a transaction shall be borne entirely by the employee. PERS members may purchase up to four years of service credit for any continuous active military or merchant marine service. The member must contribute an amount equal to the contribution for current and prior service that the employee and the employer would have made with respect to that period of service. Should changes in state law disallow military buy-back and/or sick leave conversion options, such benefits will cease to be offered.

Section 2 Employee Contribution for CalPERS Retirement

Classic CalPERS members are responsible for paying the full employee contribution portion for CalPERS retirement, which is 9% for safety employees and 8% for miscellaneous employees. New CalPERS members are responsible for paying at least 50% of “normal cost” as determined by CalPERS.

Section 3 Salary Subject to PERS

The City will include the EPMC as “salary subject to PERS” through June 30, 2016. The City will follow “CalPERS Public Agency & Schools Procedures Manual” as it pertains to “reportable and unreportable wages”. Total hours reported will not exceed 160 in a 28 day FLSA work period.

Section 4 City Payment of Employer Contribution for CalPERS Retirement

The City shall pay the employer share of the CalPERS retirement contribution as actuarially determined by CalPERS for each fiscal year covered by this Memorandum of Understanding. For classic CalPERS members, the retirement benefit is the 3% at 55 for safety employees; 2.5% at 55 for miscellaneous employees. For new CalPERS members, the retirement benefit is 2.7% at 57 for safety employees and 2% @ 62 for miscellaneous employees.

Article 9 INSURANCE

Section 1 Employee Insurance

The City shall maintain the following overall level of insurance benefits for each employee covered by this Memorandum of Understanding. The specific coverage is subject to the provisions of the individual insurance company's master contract(s) as issued to the City of Sierra Madre for each type of insurance.

Insurance Benefits offered by the City include:

- Health Insurance
- Dental Insurance
- Life and Accidental Death Insurance (for the employee only)
- Vision Insurance

The City has participated in the CalPERS medical program since 1995 to provide health coverage for association members. Pursuant to Government Code Section 22892 of the Public Employees' Medical and Hospital Care Act (PEMHCA), for the calendar year beginning January 2023, the City will contribute

\$151.00. for each association member towards the PERS Health Care Plan. This amount is adjusted annually.

The City will contribute an amount over its contribution under PEMHCA (which is \$151.00 per month for the calendar year beginning January 2023). The total contribution per month, including the City's contribution under PEMHCA, shall be through an IRS Section 125 Flexible Benefit Plan (FBP) administered by either the City or its designee, and be up to a maximum of:

Employee Only	\$850.00
Employee +1	\$1,050
Family (3 plus)	\$1,200

Effective December 1, 2023 for the monthly premiums starting on January 1, 2024, the total contribution per month shall be up to a maximum of:

Employee Only	\$892.50
Employee +1	\$1,102.50
Family (3 plus)	\$1,260

The specific benefits are subject to change by the insurance carrier. The exact provisions governing each benefit program are contained in the Master Contract issued by the insurance carrier to the City of Sierra Madre. Refer to the certificate of coverage for a complete description of benefits and coverage. The City reserves the right to select any insurance carrier or other method of providing coverage to fund the benefits of the employees under the terms of this Agreement, provided that the benefits to employees shall be not less than those in existence as of implementation of this Agreement. All insurance benefits offered by the City are subject to COBRA upon an employee's resignation, retirement or other COBRA defined event.

Section 2 Medical Stipend

An employee who elects not to purchase medical, dental, and vision insurance through the City's plan and provides proof of coverage by another group insurance plan, will receive a medical stipend of \$325 per month. The medical stipend will not be provided for and shall not be used for the purpose of purchasing either an individual health plan or insurance on the exchange.

Section 3 Retiree Medical Insurance

The City has participated in the CalPERS medical program since 1999 for association members. As such, the City is obligated to contribute toward the cost of retiree medical coverage for the retiree's and spouse's lifetime so long as they remain eligible for and covered by this medical program. The City provides additional benefits based on this Memorandum of Understanding beyond those required under PEMHCA. The following is a summary of these benefits:

All association members who retire from the City (including disability retirement) and continue coverage in the CalPERS medical program are eligible for the benefit provided in the PEMHCA resolutions. Those resolutions provide for the City to contribute toward retiree premiums at an

unequal amount to the active employees, for 2016 this amount is \$106.25.

In addition to the benefits described above, the City also provides the following monthly subsidy, toward retiree (single coverage) medical premiums until the retiree reaches age 65:

For employees hired after December 21, 2011, upon retirement from the City and with an application approved by PERS for retirement benefits, an employee will be extended "employee only" health insurance coverage for the lowest cost plan available from the City at the time of retirement until age 65. An employee must be a minimum of age 60 on the effective date of retirement and have worked 30 years of full-time service with the City to be eligible for this coverage.

For employees hired prior December 21, 2011, upon retirement from the City and with an application approved by PERS for retirement benefits, employee only health insurance coverage will be extended for the lowest cost plan available through the PERS Health Program upon retirement to age 65, based on the vesting level the employee has reached. All other insurance coverage (vision, dental, life) terminate upon retirement and are subject to COBRA. Partial vesting shall be accrued at 5% per full year of service. Employees are subject to the CalPERS vesting schedule described in the table below, which establishes specific percentages of employer contributions based on an employee's credited years of service.

11	55
12	60
13	65
14	70
15	75

If an employee receives a grade sufficient to receive credit towards the completion of their degree then the employee shall be eligible for 100% tuition reimbursement as described above. If the employee does not receive a grade sufficient to receive credit towards degree completion, no reimbursement from the City shall be provided.

Section 4 Educational Costs Assistance Program

The Educational Costs Assistance Program is intended to provide assistance towards the costs of all approved expenditures in relation to the eligible employee's enrollment in college level undergraduate, graduate, and post-graduate courses and/or study majors that bear a reasonable and rational relationship to the job classification held by the employee at the time of such enrollment.

Requirements for participation in the Educational Costs Assistance Program are as follows:

- Employees must have prior approval of the Personnel Officer in order to be eligible and participate in the program.
- Full-time employees shall be considered eligible to participate in this program after completing 24 months of satisfactory City service.
- No employee shall receive greater than \$5,000 of educational cost assistance during his/her cumulative term of employment with the City.
- Educational costs assistance may occur prior to completion of the course. In the event the employee does not complete the course, then the employee agrees by participation in the Educational costs assistance program to fully reimburse the City for the assistance amount received no later than 90 calendar days after the end of the term/semester/quarter of the course taken.
- Should the employee discontinue progress towards the degree for a period of greater than six (6) months, the employee agrees to fully reimburse the City for the assistance amount received no later than 90 calendar days after the six-month discontinuance has elapsed.

- Assistance is contingent upon the employee's submission to the Personnel Officer or designee of official college documentation indicative of the employee's enrollment in the course. The Personnel Officer or designee shall conduct any necessary investigation to verify the employee's eligibility for the assistance program. The decision of the Personnel Officer shall be final and binding and shall not be subject to administrative or judicial appeal.

Section 5 Request for Budget Approval

Employees must submit a written estimate of their tuition reimbursement and/or their educational costs assistance program expenses to the Personnel Officer or designee, through their Director, per the deadlines as determined during the budget process; prior to the fiscal year in which they will attend the course(s). If an employee submits for the educational costs assistance program for courses that were not submitted prior to the deadline, assistance may or may not be granted depending upon the availability of funds in the City's annual operating budget and approval by the Department Director and Human Resources.

Section 6 Impact of Resignation upon Restitution to the City of Funds Distributed Pursuant to the Educational Costs Assistance Program

In the event that an employee resigns or retires from City employment within two years or is not an employee of the City for at least two years from the date that assistance is received by the employee, then the employee agrees by participation in the educational costs assistance program to fully reimburse the City for the assistance amount received with interest at the Local Agency Investment Fund (LAIF) prevailing interest rate no later than 90 calendar days after the effective date of the employee's separation. Upon the employee's request, this amount can be deducted from the employee's final paycheck. If the City commences litigation to recover said monies, then the employee agrees that any judgment for the amount to be reimbursed shall also include attorney's fees and costs expended by the City in said litigation.

The exercise of such discretion is not subject to administrative or judicial appeal. Although the probationary period may be extended, the employee's anniversary date will remain the same.

Article 13 SENIORITY

Seniority list placement for Dispatchers shall be based on the date they were first placed on the payroll of the Police Department as a full-time Dispatcher. Seniority as discussed in this Article will generally govern scheduling and requested time off. The Police Chief may rely on factors other than seniority to determine scheduling and requested time off should the Chief deem that the operational interests of the Department are best served by doing so.

An employee shall notify the Department at least seven calendar days prior to taking time off credited to "Comp Time," except that pursuant to current practice, when a position is already staffed and does not require coverage by another employee working overtime, the seven calendar days' notice shall not apply.

One half of the \$5,000 signing bonus will be paid to a new sworn officer on her/her first day of work and the other half will be paid to them when the successfully complete probation. If a sworn officer leaves prior to serving the City for three years, the second half of the signing bonus will be returned to the City. One half of the \$1,000 finder's fee will be paid to the individual on the day the new police officer is hired and the other half will be paid to them when the officer successfully completes probation. If two or more employees are identified as referring a new police officer, the stipend will be split accordingly.

Section 2 Special Security Detail

Employees covered under this Memorandum of Understanding electing to serve special security detail for movies and other special security detail for non-City events must be trained in traffic control regulations. Compensation will be at time and a half the employee's base pay. This time is not counted as "time worked" towards an employee's FLSA overtime. Payment for special security details are not eligible for Compensatory Time "credit" and must be taken as a cash payment.

This provision shall not apply towards any special security detail performed as a part of a City sponsored event. Current City events are subject to change, but currently include the Mount Wilson Trail Race, Halloween, and 4th of July. Whether an event is City or non-City sponsored will be designated on the schedule. Special security detail performed as part of a City event will be counted towards an employee's FLSA overtime and contract overtime will be compensated after an employee has worked 160 hours in the work period.

Eligibility and assignment for special security detail shall be determined by the Chief of Police or designee.

Section 3 On-Call / Standby Compensation

Pursuant to operational needs, any employee who is on "stand-by" shall receive \$50 for each 24-hour period. Standby duty requires that the employee:

- Be ready to respond immediately to calls for service;
- Be reachable by telephone, pager, or police radio;
- Be enroute to work as soon as possible, but no longer than 30 minutes after receiving call;
- Refrain from intoxicants or other activities which might impair the ability of the officer to perform the assigned duties.

An employee trained in other operational duties may be placed on "stand by" for another capacity other than his/her regular duties.

Failure to be reachable by telephone, pager, and/or police radio and/or to report for duty when on call will result in forfeiture of the \$50 stipend.

Section 4 Criminal Court Compensation

The minimum pay for DMV, traffic related and criminal court appearances shall be two hours at time and a half of the employee's base pay. If said employee's court appearance is for more than two hours, said employee shall be paid for all hours in conjunction with said court appearance at time and a half of the employee's base pay.

Employees will be paid beginning with the time to appear listed on the subpoena. Employees shall have the court clerk time stamp the subpoena upon completion of the court appearance, signifying the end of the employee's court time. Additional preparation time must be pre-approved by the Chief or his/her designee.

The watch commander is required to contact the handling attorney 24 hours or the business day prior to the date of the scheduled court appearance to verify the necessity to appear. Said employee, if excused from appearance, must be notified by the end of the business day prior to the court appearance, otherwise the employee is entitled to the minimum court appearance pay. Court standby will continue to be two hours for each session (morning and afternoon). It is the responsibility of the officer to determine if afternoon on-call is required.

Each employee shall be entitled to a maximum of two hours of base pay at time and a half for "on-call" status per each day regardless of the number of subpoenas.

Graveyard shift: Where an employee has completed working a graveyard shift that immediately precedes a DMV, traffic related and criminal court appearance on that same day; or where an employee has attended a DMV, traffic related and criminal court appearance and works a graveyard shift later that same day, the minimum pay shall be four hours at time and half of the employee's base pay. If said employee's court appearance is for more than four hours, said employee shall be paid for all hours in conjunction with said court appearance at time and a half of the employee's base pay. A graveyard shift for the purpose of this Article is a shift that begins at 1800 hours and ends at 0600 hours.

This reimbursement is calculated from the Police Station to the training location and subject to the Vehicle Usage Policy. No meal reimbursement will be provided for day travel should an

An employee's immediate family shall consist of the employee's spouse or domestic partner, children, step-children, the employee's, the spouse's or the domestic partner's mother, father, brother, sister, grandchildren or grandparents or other members of the employee's family residing in the employee's home or other member of the employee's family primarily dependent upon the employee.

An employee may be granted sick leave only in case of actual sickness as defined above or as otherwise required by law. In the event that an employee or a member of the employee's immediate family recovers from any such sickness after being granted sick leave, and during the regularly scheduled hours of work, then such employee shall notify the appropriate immediate supervisor and be available to return to duty.

In order to apply for sick leave use, an employee shall notify the appropriate immediate supervisor within one hour after the time established at the beginning of the employee's workday, unless the City determines that the employee's duties require more restrictive

reporting. Additionally, each department may have its own guidelines for reporting in sick. Failure to provide notice without good cause shall result in that day of absence being treated as leave of absence without pay.

If the employee is absent on sick leave for more than one day the employee shall keep their immediate supervisor informed as to the date the employee expects to return to work.

Sick leave shall not be granted to any employee absent from duty as a result of any sickness, injury or disability purposefully self-inflicted or caused by willful misconduct.

earned from the first day of probationary employment and may be used only as it is earned. Requests for vacation leave exceeding the amount of leave will require the prior approval of the Personnel Officer.

For example, if an employee's annual accrual is 104 hours annually, the employee may accumulate 104 hours + 135 hours, up to 239 hours. This employee will cease to accumulate any vacation leave over 239 hours.

After 80 hours of Vacation Leave have been taken in a 12-month period, the employee may request payment in cash at the employee's regular hourly rate, as long as 40 hours of vacation leave remains on the books.

Article 20 HOLIDAY LEAVE

On July 1 of each year, each Association Member will be granted 104 hours of Holiday Leave. For employees who are hired by the City and/or leave the City and only work a portion of the fiscal year, employees will be granted prorated hours of Holiday Leave. *A Request for Leave of Absence*

form shall be submitted fifteen working days prior to any use of holiday leave, unless otherwise authorized by the Chief of Police or his/her representative. The balance of any Holiday Leave will be automatically cashed out at the employee's regular hourly rate when the employee leaves the City or on June 30th on the regular paycheck for that pay period (generally the first paycheck in July). This leave may not be cashed out at any other time during the fiscal year.

For employees who retire from the City through a service retirement with CalPERS, the employee shall receive the balance of their Public Safety Holiday Leave at the employee's regular hourly rate when the employee retires from the City, and not a prorated portion of hours. This leave may not be cashed out at any other time during the fiscal year.

Article 21 JURY LEAVE AND COURT APPEARANCES

Every employee who is called or required to serve as a juror shall be entitled to be absent from his or her duties during the period of such service. Unless otherwise stated in an applicable MOU, there is no limit to the amount of time employees may serve on jury duty. The City will continue to pay an employee his/her regular salary so long as proof of service is submitted within five calendar days. Employees are entitled to retain any mileage reimbursement received in connection with jury service. If any employee is released from jury service prior to the end of his/her normal workday / scheduled shift, the employee must report to work unless otherwise authorized by his/her supervisor.

An employee who is subpoenaed to appear in court in a matter regarding an event or transaction which arose in the course and scope of his or her City employment shall be allowed to do so without loss of compensation. An employee subpoenaed to appear in court in a matter unrelated to his or her official capacity as a City employee shall be permitted time off without pay or, if the employee chooses, to use accrued non-sick leaves for this purpose.

Article 22 LIGHT DUTY

At the discretion of the Department, a limited number of temporary light duty positions may be identified. The Department may assign employees injured on duty to light duty positions. The Department has the discretion to consider approving requests that involve off-duty injuries for light duty positions; however, on-duty or industrial injuries will take precedence.

Light duty assignments will be limited to 90 calendar days. The Personnel Officer may approve a one-time extension of that time frame where circumstances warrant. If an extension is granted, it does not create a permanent light duty position, but is intended solely to reasonably accommodate an employee on a temporary basis.

If the Chief of Police determines that the department is unable to accommodate the restrictions, the employee will be subject to the City's Transitional Return to Work Policy.

Article 23 OUTSIDE EMPLOYMENT

No full-time employee shall engage in any outside employment without first obtaining permission of the Chief of Police prior to the commencement of employment. Once permission is granted, the employee must provide the City with written notification of a change in job responsibilities or classification, and if the employee discontinues his/her employment with the outside agency. The request for outside employment must be done in writing and it must be completed for any outside employment regardless of length or classification of employment. The Chief of Police may deny permission to an employee to engage in any outside employment which is incompatible with City employment as described in Government Code section 1126 or if the Chief determines that the outside employment would render the employee incapable of, or less effective in performing his/her duties as an employee of the City.

Article 24 DISCIPLINE

Section 1 Disciplinary Action

Disciplinary action may be imposed upon any employee for any of the causes set forth in this Article. For the purposes of this Article, "disciplinary action" (hereafter "action") shall mean suspension without pay, reduction in class or position, or any combination thereof, or dismissal.

- Other good and sufficient cause.

Section 3 Imposition of Disciplinary Action

Disciplinary action may be imposed upon an employee as follows:

The Chief of Police shall serve a notice of intended disciplinary action upon the employee stating the disciplinary action that is being proposed, the charges upon which the proposed disciplinary action is based, and a general description of the facts and/or circumstances supporting the charges. The notice shall inform the employee that he or she may respond to the notice in writing and/or in person. Any written response must be submitted to the City Manager within 15

calendar days of receipt of the notice. If the employee wishes to respond to the notice in person, he/she must submit a written request for a meeting with the City Manager. The request must be submitted to the City Manager within 15 calendar days of receipt of the notice.

If a timely request is made by the employee, the City Manager shall conduct an informal meeting with the employee to permit the employee to respond to the notice. The employee is entitled to be represented at the meeting by an attorney or association representative. The meeting shall be conducted at a time and in the manner determined by the City Manager. The City Manager shall have the authority to impose, reject, or modify the proposed disciplinary action. If a timely request for a meeting is not made by the employee, the City Manager may immediately impose the proposed disciplinary action.

The City Manager shall give the employee written notice of his/her decision which shall, in the absence of an appeal, be considered final and conclusive. At this time the disciplinary action shall be imposed.

Section 4 Appeals

A permanent employee, against whom disciplinary action has been taken, may appeal to the City Council within 15 calendar days after receiving a copy of the City Manager's decision and by filing a written answer to such decision with the City Manager. Appeal can be made on the following grounds:

- That the procedures set forth herein have not been followed.
- That the action taken was not in accord with the facts.

Upon receipt of a timely appeal, the City Manager shall advise the City Council thereof and shall forward a copy of the statement of charges, the City Manager's notice of decision and the employee's answer to such decision. The City Council shall give the appealing party written notice of the time and place of the hearing to be held before the City Council upon such appeal. The hearing shall be limited to items which are disputed by the employee and contained within employee's written answer to the City Manager's decision. All items not disputed by the employee shall be deemed admitted by the employee for the purposes of the hearing.

Section 5 Hearing Procedure

Hearings shall be conducted in the manner most conducive to determination of the truth, and the City Council shall not be bound by technical rules of evidence. Decisions made by the City Council shall not be invalidated by any informality of the proceedings.

The formal rules of evidence shall not apply. All hearings shall be conducted in an orderly and expeditious manner with a view to the presentation of all material facts so that a fair and impartial decision may be made. The City Council shall have full authority at all times to maintain orderly procedure and to restrict the hearing to facts and witnesses that are relevant to the appeal, and that are not unduly time consuming, cumulative, prejudicial, confusing or misleading.

Each side will be permitted an opening statement (City Manager or designee first) and closing

arguments (City Manager or designee first, employee second, followed by rebuttal by City Manager or designee). The City Manager or designee shall first present the witnesses and evidence to sustain the charges. Then, the employee shall present his/her witnesses and evidence in defense. Each side will be allowed to examine and cross-examine witnesses. The hearing shall be recorded by a certified shorthand reporter.

The City Council shall have the authority to issue subpoenas to compel the attendance of witnesses. If any person in proceedings before the City Council disobeys or resists any lawful order or fails to respond to a lawfully issued subpoena, refuses to take the oath or affirmation as a witness, or thereafter refuses to be examined, or is guilty of misconduct during the hearing or so near the hearing location as to obstruct the proceeding, the City Council may, pursuant to the authority of Government Code sections 11455.10 et seq., certify the facts to the Superior Court and request the Court to issue an order directing the person to appear before the Court to show cause why he or she should not be punished for contempt.

Each party may be represented by an attorney. Each party shall bear its own costs, including attorney fees, in connection with the proceeding.

In his/her discretion, the City Council may designate a neutral hearing officer to conduct the hearing. The hearing officer will be selected through from strike list in conjunction with the employee. The hearing officer shall have the same powers as the City Council in conducting the hearing on behalf of the City Council. The hearing officer shall render a recommended decision to the City Council who shall set forth proposed findings of fact and conclusions of law in support of the recommended decision. The City Council may adopt, modify, or reject the recommended decision. The City and the employee shall equally split the costs of the neutral hearing officer.

The final decision by the City Council shall be subject to judicial review under Code of Civil Procedure section 1094.5 within the time limits described in Code of Civil Procedure section 1094.6.

Article 25 ADMINISTRATIVE APPEAL PROCEDURE

The following administrative appeal process is established pursuant to Government Code § 3304.5. It shall supplement, though not replace, the disciplinary appeal process established in Article 11.

This procedure shall not apply to disciplinary actions for which officers already are entitled to receive an appeal hearing pursuant to the City's Municipal Code or existing personnel rules. It shall only apply to punitive actions, as that term is defined by Government Code § 3303, for which officers do not already receive an appeal hearing under Article 11.

Section 1 Right to Administrative Appeal

Any public safety officer (as defined by Government Code § 3301), who is subjected to punitive action (as defined by Government Code § 3303) other than dismissal, demotion, or suspension without pay is entitled to an administrative appeal pursuant to this procedure. An officer shall

not be entitled to appeal an action prior to its imposition.

An officer who appeals a punitive action under this procedure shall bear his/her own costs in association with the appeal hearing, including but not limited to any and all attorney fees.

Section 2 Notice of Appeal

Within five calendar days of receipt by an officer of notification of punitive action, the officer shall notify the Chief of Police in writing of the officer's intent to appeal the punitive action.

The notice of appeal shall specify the action being appealed and the substantive and procedural grounds for the appeal.

Section 3 Hearing Officer

The City Manager shall serve as the hearing officer. Alternatively, the City Manager may designate a hearing officer of his or her choosing at his or her sole discretion who will issue an advisory opinion to the City Manager. The City Manager may adopt, modify, or reject the hearing officer's advisory decision and the City Manager's decision shall be final and binding.

Section 4 Burden of Proof/Persuasion

Unless the action being appealed involves allegations of misconduct (i.e., allegations that the officer has violated one or more federal, state, or local laws, and/or City or Police Department regulations, procedures, or rules) the limited purpose of the hearing shall be to provide the officer the opportunity to establish a record of the circumstances surrounding the action. The Department's burden shall be satisfied if the Department establishes that the action was reasonable, even though reasonable persons might disagree about whether the action was the best one under the circumstances.

If the punitive action involves charges of misconduct, (i.e., allegations that the officer has violated one or more laws, regulations, procedures, or rules), the Department shall have the burden of proving by a preponderance of the evidence the facts which form the basis for the charge of misconduct and the burden of persuasion that the punitive action was reasonable under the circumstances.

Section 5 Conduct of Hearing

The formal rules of evidence do not apply, although the hearing officer shall have discretion to exclude evidence that is incompetent, irrelevant or cumulative, or the presentation of which will otherwise consume undue time.

The parties may present opening statements.

The parties may present evidence through documents and direct testimony.

The parties shall not be entitled to confront and cross-examine witnesses.

Following the presentation of evidence, if any, the parties may present closing arguments.

Section 6 Recording of the Hearing

The hearing shall be audio recorded. A stenographer may be used in lieu of an audio recording at the discretion of the hearing officer.

Section 7 Representation

The officer may be represented by a representative of his or her choice at all stages of the proceedings. All costs associated with such representation shall be borne by the officer.

The Department shall also be entitled to representation at all stages of the proceedings.

Section 8 Decision

The City Manager shall serve the parties with written notice of his/her decision within 30 calendar days of submission of the case by the parties for decision (or receipt of the recommended decision by the hearing officer).

The decision shall be served by first class mail upon the officer or the officer's attorney or representative. The decision shall be final upon mailing of the decision.

If judicial relief is available pursuant to Code of Civil Procedure Section 1094.5, then a petition must be filed within 90 days as specified in Code of Civil Procedure Section 1094.6.

Article 26 GRIEVANCE PROCEDURE

Section 1 Purpose

The purpose of this Article is to provide employees a grievance procedure within the scope and framework of the City's personnel system. For the purpose of this Article, the word "grievance" shall mean and include any complaint arising out of alleged violations of written rules and regulations, policies, administrative procedures, or this memorandum of understanding, except that the same shall not include any disciplinary action or proceedings.

Section 2 Individual Petition Procedure

An employee or group of employees having a complaint or grievance (hereinafter "Grievant") shall present their grievance in a written statement to the immediate supervisor for resolution within 10 calendar days of the alleged violation being grieved. The immediate supervisor shall have 10 calendar days to respond to the grievance in writing. If the grievance cannot be resolved with the immediate supervisor, the grievant may present his/her written grievance up the Chain of Command, with the grievance going to the Chief of Police last. Each supervisor will have 10 days to review of the decision by previous supervisor. The Chief of Police shall have 14 calendar days to respond in writing to the grievance.

If the grievance cannot be resolved by the Chief of Police, then the grievant may submit the

written grievance to the City Manager not more than 10 calendar days from the date of the Chief's decision.

The City Manager may conduct an investigation into the grievance as he or she deems necessary. The City Manager shall issue a written decision on the grievance within 14 calendar days of his/her receipt of the grievance.

The timelines for filing and/or responding to any grievance may be extended by mutual agreement of the parties. Any such agreement must be confirmed in writing. If any response to a grievance is not timely, then the grievance shall be considered to have been denied and may proceed to the next step. The decision of the City Manager is final and binding.

Section 3 Association Petition Procedure

The Association may file a grievance on behalf of the Association as a whole for any violation of this memorandum of understanding. The Association shall present their grievance in writing to the Chief of Police. The Chief of Police shall have 14 calendar days to respond in writing to the grievance.

In the event of failure to resolve the case of the dispute with the Chief of Police, the Association, by a majority vote of the Board of Directors and by notifying any/all employees affected by this grievance may then request a meeting with the City Manager and the City Manager shall hold said meeting for the discussion and attempted resolution of the matter.

If the Association is dissatisfied with the determination of the City Manager, the Association may appeal such a decision by filing a written letter of appeal with the City Council within 30 calendar days after the giving of notice by the City Manager. The City Council, upon receiving a timely appeal, shall instruct the City Manager to give the appealing party (or parties) written notice of the time and place of the hearing.

At the time of the hearing before the City Council, all interested parties shall be given reasonable opportunity to be heard upon the merits of the grievance and the positions taken with reference thereto. Upon conclusion of such hearing, the City Council shall review the testimony given and shall approve, disapprove or approve with modification, the decision rendered by the City Manager. The City Council's decision shall be final and conclusive in all cases.

In his/her discretion, the City Council may designate a neutral hearing officer to conduct the hearing. The hearing officer shall have the same powers as the City Council in conducting the hearing on behalf of the City Council. The hearing officer shall render a recommended decision to the City Council. The City Council may adopt, modify, or reject the recommended decision. The City shall bear the costs of the neutral hearing officer.
